**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I love my Sonic broadband and phone service. Its far faster than what my previous provider (AT&T) could offer in my neighborhood. They allowed me to keep my land line with the same number at a very attractive price (I used to work in disaster relief, so know all too well what can happen when cell service goes out). They are locally based, so money spent with Sonic stays in the area, which I appreciate. Their customer service is first-rate. Ill say again, I love my Sonic! They are the model for what a competitive local provider should be.
